AVE MARIA ACADEMY PTG

A Royal Welcome!

On behalf of the Ave Maria Academy PTG Executive Board, WELCOME to the 2023-2024 school year!! This year PTG (Parent Teacher Guild) will have many roles including working with the School Advisory Council on fundraising efforts, planning school-wide community events, academic enrichment assemblies & field trips. On behalf of all students and parents, we show our appreciation to our AMAzing teachers & staff in small ways throughout the year.

Interested in becoming involved?

We are always looking for new parent volunteers to help out. Whether you want to volunteer occasionally or are looking to take on a chairperson role, please let us know. All are welcome! Volunteering not only benefits the students and the school, but it will help you to get to know other parents and really feel part of the Ave Maria Academy family.

Please complete the PTG Membership & Volunteer form found on the school website under the **Parents>PTG** tab and consider becoming a member of this thriving parent-teacher organization. The \$20 membership fee helps to provide a large part of our funds for the year and can be paid right online!

Becoming a member of the PTG will also give you access to our digital school directory, A to Z Connect. This essential resource will help you view class rosters and search for phone numbers, emails, and addresses. The Membership Toolkit app is free to download and available for Apple and Android devices anytime, anywhere.

What a great way to connect with other school families!

Questions? Please email avemariaptg@gmail.com!

We look forward to meeting you!

Wishing you and your family a blessed school year,

Ave Maria Academy PTG
